EXPERIENCE THE LEADERSHIP CHALLENGE

This workshop uses an evidence based model of leadership that is recognized globally. There is also a 360 assessment of your leadership skills to show you your strengths and opportunities for improvement as a leader.

Leaders leave the workshop with:

- * A clear understanding of the key elements of successful leadership
- * A detailed 360 assessment of your leadership skills including an understanding of your strengths and opportunities for development
- * The ability to create standards of excellence and set an example for others
- * The skills to create a vision of the future
- * The ability to create a climate of teamwork and innovation
- * Knowledge of how to develop trust and respect to build spirited teams
- * A personalized leadership action plan for your future development
- * Ways to celebrate people's accomplishments and help them feel like heroes

THE MOST TRUSTED SOURCE FOR BECOMING A BETTER LEADER

The program is highly interactive and stimulating. Participants experience and apply **The Five Practices of Exemplary Leadership®** through cases, workbook exercises, group problem-solving tasks, lectures and experiential learning led by Maureen O'Leary Pickard, **Certified Master Facilitator**, of the Leadership Challenge.

You will leave with a new perspective on your leadership style, potential abilities and the path that will lead to your success.

There is also the opportunity to reconnect with the facilitator and other participants after the workshop to continue the journey together.
